YOU NIGHT HELPS WOMEN EMBRACE LIFE BEYOND CANCER

You Night Sisterhood

You Night is a sisterhood of support, designed around empowering group experiences that are alternatives to traditional cancer survivor support groups. A variety of programs are offered to ladies age 18 or older, who desire a sisterhood of support. We provide inspiring and loving experiences, offering tools to help women live their best lives so they can find purpose and passion after a cancer diagnosis. Women will be surrounded by other women who "get it"

Why purple? Purple is the color of all cancers. We open our program to any woman age 18 or older who is currently battling or has battled cancer.

To learn more about our programs, or to inquire about our next get-together, please contact our Outreach Team at 877-591-5936 x2 or visit our website: www.younightevents.com

YOU NIGHT IS A SISTERHOOD OF SUPPORT

You Night year-round programs are open to any women who have been diagnosed with cancer. We provide group experiences that are alternatives to traditional cancer survivor support groups -- designed to help women live their best lives after a cancer diagnosis.

**STUDIES SHOW:
"WOMEN WHO ARE
INVOLVED IN
SOCIALLY ACTIVE
SUPPORT GROUPS
HAVE BETTER
HEALTH OUTCOMES"**

Our sisterhood is comprised of women who are currently in treatment or have beat any type of cancer.

You don't have to feel alone in this battle! We can get through this together!

You Night
Empowering Events

You Night's programs are made possible through sponsor support and donations to our public charity, the "We Lift You Up" Fund EIN 82-4444545

www.younightevents.com 877-591-5936 x2

How are donations being used?

One hundred percent of donations go directly toward year-round programs benefiting survivors who live in St. Tammany Parish and the New Orleans area. All donations stay local, and because of the unique six month curriculum that we offer, sponsors experience the outcome of their donations immediately. You Night currently is able to gift the You Night experience to 50 ladies from New Orleans and St. Tammany each year. The gift value per participant is \$7,000 for the six months that they are in training with us. Included in this gift are our proprietary empowerment runway training, professional video and photo shoots, group activities and life coaching. Models leave the program with a new sense of passion and purpose, which then transcends to their communities, families and health facilities.

Sponsors are given a choice to donate to either our "We Lift You Up" fund (a 501c3 fund) or to You Night Events, LLC. In either case, donations go directly to the program. We offer both options because some of our sponsors require donations to go to a 501c3 fund (such as foundations and grants); others prefer to get marketing benefits and tickets, and want to write 100 percent of the donation off as a marketing expense.

Our fundraising goal per class is \$175,000. In return, our sponsors receive a comprehensive list of marketing opportunities and VIP tickets to our Runway Show and Celebration (the graduation ceremony for the class).

WE LIFT YOU UP FUND EIN 82-4444545

Testimonial from a participant

I was skeptical. I thought, "How is dressing up in fancy clothes, and practicing walking and making silly videos going to help ME?"

I was so miserable that I couldn't see a possible way to feel better. I hated myself and everyone around me. A member of You Night called me one day and asked me to just show up and trust her. The last thing I wanted to do was be around a bunch of people I didn't know.

It took me several meetings and practices to start to trust. A few people attempted to break down my ice queen wall and for that I am thankful. Little by little I could feel myself forming bonds with the other ladies. These are friends I would have never met if I wouldn't have had cancer. These ladies helped me see the positive of our situations. I will forever more have a lasting bond with them.

Lately, I have been told by several friends and co-workers that they can see a change in me. They can see a sparkle that hasn't been there in a while. I have to attribute that to my You Night sisters.

I was wrong about not needing this organization. I needed to be around people that just "got it."

Watching everyone be sassy and confident has done wonders for my aching soul. So thank you, You Night, for calling me just one more time. I needed this more than I knew. *Angela Palmisano, You Night St. Tammany Class of 2017*
